| Introduction | 1 |
| PART I MARIJUANA AND PROHIBITION | |
| 1 What Is Marijuana? | 5 |
| <i>What does "marijuana" mean?</i> | 5 |
| <i>What is marijuana legalization?</i> | 5 |
| <i>How does it feel to get high?</i> | 7 |
| <i>What are the active ingredients in marijuana?</i> | 7 |
| <i>What are the varieties of the cannabis plant?</i> | 8 |
| <i>What are the varieties of marijuana products?</i> | 9 |
| <i>What is industrial hemp?</i> | 10 |
| <i>What are the alternatives to smoking?</i> | 11 |
| <i>Has marijuana been getting more potent?</i> | 12 |
| <i>Is higher potency bad?</i> | 13 |
| <i>How long does intoxication last?</i> | 14 |
| <i>How long after use can marijuana be detected?</i> | 15 |

viii Contents

| | |
|--|----|
| <i>Is medical-marijuana the same as illegal marijuana?</i> | 16 |
| <i>What is synthetic marijuana (Spice or K2)?</i> | 17 |
| <i>Additional Reading</i> | 18 |

2 Who Uses Marijuana? 19

| | |
|--|----|
| <i>How many people use marijuana?</i> | 19 |
| <i>How has marijuana use changed over time?</i> | 20 |
| <i>How have marijuana policies changed in the past half century?</i> | 21 |
| <i>How much marijuana do users consume?</i> | 23 |
| <i>Can marijuana use lead to dependence or addiction?</i> | 24 |
| <i>How common is marijuana use in the United States?</i> | 25 |
| <i>What are typical patterns of marijuana use?</i> | 27 |
| <i>To what extent do heavy users dominate consumption?</i> | 29 |
| <i>Has heavy use become more common?</i> | 30 |
| <i>How much do users spend on marijuana?</i> | 31 |
| <i>Additional Reading</i> | 33 |

3 What Are the Risks of Using Marijuana? 34

| | |
|--|----|
| <i>Why is it difficult to measure the consequences of marijuana use?</i> | 34 |
| <i>How do researchers study the consequences of marijuana use?</i> | 36 |
| <i>What is the likelihood of becoming dependent on marijuana?</i> | 38 |
| <i>How bad is marijuana dependency compared to dependency on other drugs?</i> | 40 |
| <i>How many users enter treatment for marijuana?</i> | 40 |
| <i>Does marijuana treatment work?</i> | 41 |
| <i>Can users experience a fatal overdose from marijuana?</i> | 43 |
| <i>Can users experience a nonfatal overdose from using too much marijuana?</i> | 44 |
| <i>Does marijuana use cause emphysema and other respiratory problems?</i> | 45 |

| | |
|---|----|
| <i>Does marijuana use cause cancer?</i> | 46 |
| <i>How much harm does secondhand marijuana smoke cause?</i> | 48 |
| <i>Is marijuana a “gateway drug”?</i> | 49 |
| <i>How does marijuana affect brain development?</i> | 50 |
| <i>Does using marijuana lead to cognitive impairment and a reduction in IQ?</i> | 52 |
| <i>Does marijuana use affect education and employment?</i> | 53 |
| <i>Does using marijuana cause schizophrenia and other mental health problems?</i> | 54 |
| <i>Does using marijuana influence crime and delinquency?</i> | 57 |
| <i>Does marijuana cause automobile crashes?</i> | 58 |
| <i>Does mothers’ prenatal marijuana use affect their babies’ health?</i> | 60 |
| <i>Should mothers who use marijuana breastfeed their babies?</i> | 61 |
| <i>How does parental marijuana use influence child welfare?</i> | 62 |
| <i>Is marijuana really safer than alcohol?</i> | 63 |
| <i>Additional Reading</i> | 65 |

4 What Is Known About the Nonmedical Benefits of Using Marijuana? 67

| | |
|--|----|
| <i>Why don’t we know more about the benefits of marijuana use?</i> | 68 |
| <i>Would there be more high-quality research if marijuana were legal nationally?</i> | 69 |
| <i>Is there a “stoned” way of thinking?</i> | 69 |
| <i>Is “stoned thinking” valuable?</i> | 70 |
| <i>Does marijuana use enhance creativity?</i> | 72 |
| <i>Can marijuana use enhance athletic performance?</i> | 74 |
| <i>What role does cannabis play in worship?</i> | 75 |
| <i>So there’s no real evidence of any benefits?</i> | 75 |
| <i>Why should mere pleasure count as a benefit?</i> | 75 |
| <i>Additional Reading</i> | 77 |

5 What Are the Medical Benefits of Marijuana? 78

| | |
|---|----|
| <i>Is marijuana medicine?</i> | 78 |
| <i>But isn't smoking unhealthy?</i> | 79 |
| <i>What did the 1999 Institute of Medicine report (really) say?</i> | 80 |
| <i>What is the state of the medical-marijuana literature today?</i> | 81 |
| <i>Does marijuana have legally recognized medical value in the United States?</i> | 84 |
| <i>Why isn't marijuana available as a regular prescription drug in the United States?</i> | 85 |
| <i>What is happening with medical-marijuana outside the United States?</i> | 87 |
| <i>If there are pharmaceutical cannabinoids, is there any reason to use plant material?</i> | 88 |
| <i>Additional Reading</i> | 90 |

6 How Stringent Is Marijuana Enforcement in the United States? 91

| | |
|---|-----|
| <i>Does it make sense for marijuana to be a Schedule I substance?</i> | 91 |
| <i>Who gets arrested for marijuana possession?</i> | 93 |
| <i>What happens after those possession arrests?</i> | 96 |
| <i>How harshly are marijuana producers and traffickers punished?</i> | 98 |
| <i>How many people are in prison for marijuana offenses?</i> | 99 |
| <i>Additional Reading</i> | 100 |

PART II NATIONAL LEGALIZATION AND ITS CONSEQUENCES

7 What Are the Pros and Cons of Legalization Generally? 103

| | |
|---|-----|
| <i>What does it mean to legalize a drug?</i> | 103 |
| <i>What is the essential tradeoff between legalization and prohibition?</i> | 104 |
| <i>What are the shades of legalization?</i> | 105 |

| | |
|---|-----|
| <i>Why have drug laws in the first place?</i> | 107 |
| <i>Why even consider legalizing a substance whose use creates harm?</i> | 108 |
| <i>Wouldn't the result of a policy that treated marijuana like alcohol be an improvement over the current mess?</i> | 110 |
| <i>But wasn't alcohol prohibition in the United States a complete failure?</i> | 111 |
| <i>How much of the increase in consumption after legalization would reflect increased heavy use rather than increased casual use?</i> | 112 |
| <i>Can't the effects of marketing be reined in by regulations and taxes?</i> | 113 |
| <i>What about legal availability without free trade? Couldn't that work?</i> | 114 |
| <i>Isn't it impossible to make someone better off by coercing behavioral change?</i> | 114 |
| <i>If people choose to harm themselves with drugs, why is that anyone else's business?</i> | 116 |
| <i>But isn't everyone with an addictive personality already addicted to something?</i> | 118 |
| <i>If the results of legalization are uncertain, why not just try it out, and go back to the current system if legalization doesn't work?</i> | 119 |
| <i>Additional Reading</i> | 120 |

8 How Is Legalization of Marijuana Different from Legalization of Other Drugs? 121

| | |
|---|-----|
| <i>How does legalizing marijuana compare to legalizing all drugs?</i> | 121 |
| <i>Isn't marijuana known to be safe?</i> | 122 |
| <i>If marijuana accounts for half of all drug arrests, would legalizing marijuana free up half of our prison cells?</i> | 122 |
| <i>How much drug-related crime, violence, and corruption would marijuana legalization eliminate?</i> | 124 |
| <i>Would legalization increase marijuana use and dependence by as much as legalization of crack and other drugs would increase their markets?</i> | 125 |
| <i>Would more marijuana use lead to more alcohol abuse, or less?</i> | 126 |
| <i>Would more marijuana use lead to more or less abuse of other substances?</i> | 127 |
| <i>If alcohol is more dangerous than marijuana, what's the logical justification for one being legal and the other illegal?</i> | 128 |

| | |
|---|-----|
| <i>Could it be reasonable to support legalizing marijuana while keeping some other drugs illegal?</i> | 129 |
| <i>Can two reasonable people sensibly disagree about marijuana legalization?</i> | 130 |
| <i>Additional Reading</i> | 130 |

9 What if We Treated Marijuana Like Alcohol? 131

| | |
|--|-----|
| <i>What special regulations could apply to legal marijuana?</i> | 132 |
| <i>Could advertising be restricted in the United States?</i> | 134 |
| <i>How could marijuana be taxed?</i> | 136 |
| <i>Would regulations and taxes in practice approach the public health ideal?</i> | 137 |
| <i>How much enforcement would regulation and taxation require?</i> | 138 |
| <i>How many marijuana-related arrests would there be after legalization?</i> | 139 |
| <i>What would happen to marijuana prices after national legalization?</i> | 140 |
| <i>How many people would be employed in marijuana growing?</i> | 144 |
| <i>What would the pretax retail price be for unbranded marijuana?</i> | 145 |
| <i>What would the after-tax retail price be for unbranded marijuana?</i> | 146 |
| <i>What would the retail price be for branded and other forms of marijuana?</i> | 148 |
| <i>Would some businesses give legal marijuana away free?</i> | 150 |
| <i>How much would consumption increase?</i> | 151 |
| <i>Would legalization reduce drug violence in Mexico?</i> | 153 |
| <i>Does legalization pass the benefit-cost test?</i> | 153 |
| <i>Additional Reading</i> | 158 |

10 How Would Alcohol-Style Legalization Affect Me Personally? 159

| | |
|--|-----|
| <i>How would legalization affect me if I'm a typical regular adult user?</i> | 159 |
| <i>How would legalization affect me if I'm already dependent on marijuana?</i> | 161 |
| <i>How would legalization affect me if I'm an occasional marijuana user?</i> | 161 |
| <i>How would legalization affect me if I'm not currently a marijuana user?</i> | 162 |

| | |
|--|-----|
| <i>How would legalization affect me if I'm a medical-marijuana patient?</i> | 163 |
| <i>How would legalization affect me if I'm a marijuana grower?</i> | 164 |
| <i>How would legalization affect me if I lead a Mexican drug trafficking organization (DTO)?</i> | 165 |
| <i>How would legalization affect me if I'm a taxpayer?</i> | 165 |
| <i>How would legalization affect me if I'm an employer?</i> | 165 |
| <i>How would legalization affect me if I'm a parent of a teenager?</i> | 166 |

11 Between Marijuana Prohibition and Commercial Legalization: Is There Any Middle Ground? 169

| | |
|--|-----|
| <i>Are there options in between prohibition and commercial legalization?</i> | 169 |
| <i>What has been learned from decriminalization?</i> | 170 |
| <i>What about legalizing marijuana the way Portugal did (not)?</i> | 172 |
| <i>What about imitating the Dutch approach?</i> | 174 |
| <i>What about just allowing home production?</i> | 175 |
| <i>What about user co-ops and collectives?</i> | 177 |
| <i>What about a very liberal medical-marijuana system?</i> | 179 |
| <i>Couldn't users go to physicians for nonmedical-marijuana?</i> | 180 |
| <i>What if the government had a monopoly on the industry, or on retail sales specifically?</i> | 181 |
| <i>What if the market were limited to nonprofits, "for-benefit" corporations, or other socially responsible organizations?</i> | 182 |
| <i>What about limiting the quantity any user can buy?</i> | 183 |
| <i>Why have a middle path for marijuana but not for alcohol?</i> | 185 |
| <i>Additional Reading</i> | 185 |

PART III THE CRAZY QUILT OF CONFLICTING POLICIES TODAY

12 Where Are We, and How Did We Get Here? 189

| | |
|---|-----|
| <i>How many states have legalized or decriminalized marijuana?</i> | 189 |
| <i>How did we get to the current crazy quilt of conflicting policies?</i> | 191 |

| | |
|--|-----|
| <i>How has support for legalization in the United States varied over time?</i> | 193 |
| <i>Who supports and who opposes legalization in the United States?</i> | 194 |
| <i>Who votes for legalization?</i> | 195 |
| <i>Who is funding the legalization movement?</i> | 196 |
| <i>Additional Reading</i> | 198 |

13 What's Really Happening in Medical-Marijuana States? 199

| | |
|---|-----|
| <i>When did medical-marijuana get started in the United States?</i> | 199 |
| <i>Where does medical-marijuana come from?</i> | 201 |
| <i>How medical is medical-marijuana?</i> | 203 |
| <i>Are CBD laws really about marijuana?</i> | 205 |
| <i>Was there a "Sanjay Gupta" effect?</i> | 206 |
| <i>What is the federal government doing in states that allow medical-marijuana?</i> | 208 |
| <i>Who recommends medical-marijuana to patients?</i> | 209 |
| <i>Was medical-marijuana invented as a wedge issue to open the gates for full legalization?</i> | 211 |
| <i>Do medical-marijuana laws increase nonmedical-marijuana use?</i> | 212 |
| <i>What are the other population-level consequences of medical-marijuana laws?</i> | 213 |
| <i>Additional Reading</i> | 215 |

14 What Is Happening in Colorado and Washington? 216

| | |
|---|-----|
| <i>If Uruguay, Alaska, and Oregon have all legalized, why focus on Colorado and Washington?</i> | 216 |
| <i>What are the key provisions common to Colorado and Washington?</i> | 217 |
| <i>Are revenues from taxes making a difference in state budgets?</i> | 218 |
| <i>Have black market sales disappeared in Colorado and Washington?</i> | 219 |
| <i>Are Colorado and Washington exporting marijuana to other states?</i> | 219 |

| | |
|--|----------------|
| <i>Why pay so much attention to edibles?</i> | 220 |
| <i>What do Colorado and Washington tell us about the likely results of legalization elsewhere?</i> | 221 |
| <i>Did legalization increase or decrease crime?</i> | 222 |
| <i>How did legalization affect use?</i> | 223 |
| <i>What is the evidence concerning effects on youth?</i> | 224 |
| <i>What happened to emergency department cases?</i> | 225 |
| <i>What has happened to traffic safety?</i> | 226 |
| <i>Do marijuana operations have to be cash-only businesses?</i> | 227 |
| <i>How do Colorado and Washington's medical-marijuana industries interact with the new legal systems?</i> | 228 |
| <i>Additional Reading</i> | 230 |
| 15 What Is Happening in Alaska, Oregon, Jamaica, and Uruguay? | 231 |
| <i>What is happening in Uruguay?</i> | 231 |
| <i>What is happening in Jamaica?</i> | 232 |
| <i>How do the laws in Alaska and Oregon compare to those in Colorado and Washington?</i> | 234 |
| <i>What exactly did Washington, DC, legalize?</i> | 235 |
| <i>What states might vote on legalization in 2016?</i> | 236 |
| <i>Additional Reading</i> | 238 |
| 16 What Happens When Marijuana Laws Clash? | 239 |
| <i>Can a state legalize something that the federal government prohibits?</i> | 239 |
| <i>Can there be local exceptions to state marijuana laws?</i> | 240 |
| <i>Should local government be allowed to opt out of state legalization?</i> | 240 |
| <i>Is marijuana actually legal in a state that legalizes?</i> | 242 |
| <i>Can a state regulate and tax a substance that the federal government prohibits?</i> | 243 |
| <i>What about the reverse: If the federal government legalized marijuana, could a state still prohibit it?</i> | 243 |

| | |
|--|-----|
| <i>What could the federal government do in response to a state legalizing marijuana?</i> | 244 |
| <i>Could federal noninterference be formalized?</i> | 246 |
| <i>Would marijuana legalization violate international law?</i> | 246 |
| <i>Does Dutch policy violate these international conventions?</i> | 248 |
| <i>What are the consequences of violating international conventions?</i> | 248 |
| <i>Could these international treaties be changed?</i> | 249 |
| <i>Should there be international treaties on drugs at all?</i> | 250 |
| <i>Additional Reading</i> | 252 |

PART IV THE FUTURE OF MARIJUANA LEGALIZATION

17 What Might the Future Hold? 255

| | |
|--|-----|
| <i>Why isn't the status quo stable?</i> | 255 |
| <i>Are high state taxes sustainable in the long run?</i> | 257 |
| <i>How much depends on 2016?</i> | 258 |
| <i>Will alcohol-style commercial legalization beat out more moderate approaches?</i> | 259 |
| <i>How long will it take to see all the effects of legalization on the industry?</i> | 260 |
| <i>How long will it take to see all the effects of legalization on use and dependence?</i> | 262 |
| <i>Will other countries legalize?</i> | 263 |
| <i>What is the chance all of our predictions will prove correct?</i> | 264 |

18 What Do the Authors Think Ought to Be Done About Marijuana? 265
