

LIBRARY AND INFORMATION SCIENCE, LIBRARY REFERENCE

The 11 De Gruyter journals in the field of library and information science stand for high quality publications in the field of library and information science. *Libri* and *Restaurator* are among the periodicals with the longest tradition in this field. In 2012, the *Bibliotheksdienst* has been added to this prestigious list.

In addition, the package contains the journal *Archivalische Zeitschrift*, published by our distribution partner Böhlau, and one Open Access journal published by Versita.
