Why OBO?

While other bibliographies often focus on a specific topic, OBO's research guides offer expert recommendations across a variety of disciplines.

- ✓ WIDE-RANGING TOPIC COVERAGE, WITH **40+** SUBJECT AREAS
- ✓ **RECOMMENDATIONS** ON THE BEST WORKS AVAILABLE
- ✓ **ARTICLE INTRODUCTIONS** BY TOP SCHOLARS
- ✓ **SUBJECT OVERSIGHT** BY AN EDITOR IN CHIEF AND AREA EDITORS
- ✓ **NEW ARTICLES ADDED REGULARLY**, SO THERE'S ALWAYS MORE TO DISCOVER
- ✓ **CUSTOMIZATION** OPTIONS FOR CITATIONS, NOTES, AND ANNOTATIONS

OBO is a great tool for your users **early on in their research journeys**, as it builds a list of key scholarly sources to help them find the most important information on their topics.

While other resources simply cite scholarship in support of a claim, OBO explains what that book or article is and how it fits within a topic's literature.
