- ✓ WIDE-RANGING TOPIC COVERAGE, WITH **160+ QUICK REFERENCE TITLES**
- ✓ **300+ REFERENCE LIBRARY TITLES** COVERING A VARIETY OF SUBJECT AREAS
- ✓ **RENOWNED** SERIES, AUTHORS, EDITORS, AND CONTRIBUTORS
- ✓ CONTENT FROM AN **AWARD-WINNING** REFERENCE PUBLISHING PROGRAM
- ✓ OUP-OWNED CONTENT, **ENSURING HIGH-QUALITY MATERIAL**
- ✓ CAREFUL **CREATION AND REVIEW** OF EACH TITLE

## Who is OR for?

OR is a high-quality reference resource that benefits researchers and scholars at all levels. OR offers a wide range of short-entry content for quick fact-checking, as well as longer, in-depth specialized articles.

## When is OR most needed?

OR is a great tool for your users, whether they're at the **beginning of their research journey** or are looking for specialized articles for their research projects.

While other resources don't have control over the quality of their content, OR titles are all carefully curated within OUP, expertly written, and rigorously reviewed to ensure the very best quality.
