Wrocław University Library

E-Resources of the University of Wrocław

Uniwersytet
Wrocławski

Biblioteka
Uniwersytecka

Digital Knowledge Center Available anytime and anywhere

For whom?

Academic staff, doctoral students, as well as students of the University of Wrocław enjoy free access to electronic resources — both on campus and remotely, from any location.

How to search?

Use the Primo multi-search engine, available on the website of Wrocław University Library (katalog.uwr.edu.pl).

Outside the Library's network? It's possible!

Not on campus?

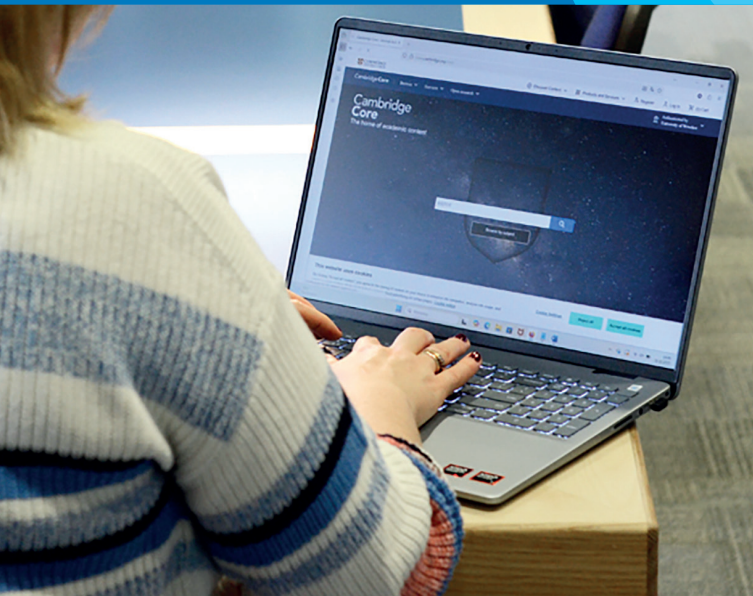

Access electronic resources remotely – via proxy server.

Access from outside
the Library's network

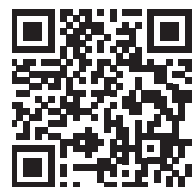

Use the most important sources
of scholarly knowledge, including:

Elsevier ScienceDirect
SpringerLink
Oxford University Press
JSTOR
EBSCOhost
Taylor&Francis

What can you find in the resources?

- ▶ E-books and scholarly e-journals
- ▶ Renowned interdisciplinary full-text databases
- ▶ Specialized databases
- ▶ Bibliometric databases
- ▶ Trial access databases

E-Resources of Wrocław
University Library (WUL)
